Subject - Making the temporary establishment of two octroi watchman, Two sweepers and one Gardener permanent in Sidlaghatta Town Municipality

..

Sir,

I have the honour to forward herewith the records received from the President Sidlaghatta Municipal Council with his No 14 L C 117/45-46 dated 26th August 1946 on the above subject and to state that the above staff was entertained in the municipality some ten years back to cope up with the increased work in the municipality and that sanction of Government for the continuance of the staff till the end of 39-40 was obtained. Copies of Government orders sanctioning the continuance of this temporary staff till the end of the year 1939-40 are enclosed for favour of ready reference. The temporary staff is being continued from 1940-41 until now but no sanction of Goverrment for its contiruace has been obtained The local Auditors have observed that it was irregular to have incurred the exrenditmre without obtairing competent sanction and the expenditure or this account has been held under objection The reason for this ommission has not been explained by the President and it may be due to the charge of hands and consequent dislocations of work The Council considered the advisability of continuing the staff and tney have resolved in their meeting held or 25-8-46 that the additional staff affair is absolutely necessary for the better administration of municipal affairs and they therefore recommend the establishment may be made permanent I agree with the council and request you to kindly obtain sanction of Government to treat the temporary staff as noted below as permanent with effect from 1-7-46 as resolved by the Council and also to sanction the continuance of the establishment from 1940-41 to end of 1945-46 so that the auditors objection may be satisfied and closed

As regards the payment of allowances for Radio work and Births and Deaths work the question is under consideration and separate recommendation will be made in this behalf.

3) Gardener One on Rs 7/-PM
